I. INTRODUCTION

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, or national origin in programs and activities receiving Federal financial assistance. Specifically, Title VI provides that "no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance." (42 U.S.C. Section 2000d).

The Civil Rights Restoration Act of 1987 clarified the intent of Title VI to include all programs and activities of Federal-aid recipients, sub-recipients, and contractors whether those programs and activities are federally funded or not.

Recently, the Federal Transit Administration (FTA) has placed renewed emphasis on Title VI issues, including providing meaningful access to persons with Limited English Proficiency.

Recipients of public transportation funding from FTA and the Virginia Department of Rail and Public Transportation (DRPT) are required to develop policies, programs, and practices that ensure that federal and state transit dollars are used in a manner that is nondiscriminatory as required under Title VI.

This document details how Bay Aging incorporates nondiscrimination policies and practices in providing services to the public. Bay Aging's Title VI policies and procedures are documented in this plan and its appendices and attachments. This plan will be updated periodically (at least every three years) to incorporate changes and additional responsibilities that arise.

II. OVERVIEW OF SERVICES

Established in 1978, Bay Aging has a diverse menu of services designed to help meet the needs of people of all ages. Some services are authorized by the Older Americans Act and as such are applicable only to older adults, while many others are available to people of all ages.

Services include: Options Counseling, Meals on Wheels, Care Transitions Intervention Coaching, In-Home Care, Personal Assistant, Veterans Directed Home and Community Services, Adult Day Break Centers (day care), Active Lifestyle Centers (senior centers), Medicare Insurance Counseling, Ombudsman, Senior Medicare Patrol, Senior Employment, Legal Aid, Retired and Senior Volunteer Program, Bay Transit, New Freedom Mobility Management, MedCarry, Emergency Home Repair, Weatherization, Indoor Plumbing Rehabilitation, Community Development Block Grant Substantial Housing Rehabilitation, Service Enriched Senior Apartment Communities and Housing Choice Voucher Program.

Bay Aging is the only Area Agency on Aging in Virginia that delivers Veterans-Directed Home and Community Services. Bay Aging contracts with Hunter McGuire Veterans Medical Center in Richmond to deliver home and community supports for veterans who are at risk of entering into a nursing care facility. These less costly services help the veterans stay at home far longer. Bay Aging staff also responds to veterans who live in other parts of Virginia.

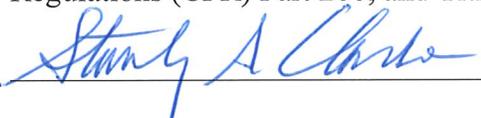

Bay Transit, a service of Bay Aging, is the only federally funded public transportation provider in the Middle Peninsula and Northern Neck, and the counties of Charles City and New Kent. Bay Transit provides transportation for people to access jobs, health care, cancer/dialysis treatments and other therapy services and consumer services. New Freedom, a service of Bay Transit, gives seniors and people with disabilities access to transportation outside of Bay Transit's normal service region and hours of operation. New Freedom is especially helpful for people seeking health care services in the cities of Richmond, Hampton, Newport News and Williamsburg.

III. POLICY STATEMENT AND AUTHORITIES

Title VI Policy Statement

The Bay Aging Title VI Manager is responsible for initiating and monitoring Title VI activities, preparing required reports, and other responsibilities as required by Title 23 Code of Federal Regulations (CFR) Part 200, and Title 49 CFR Part 21.

Title VI of the 1964 Civil Rights Act provides that no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving federal financial assistance (refer to 49 CFR Part 21). The Civil Rights Restoration Act of 1987 broadened the scope of Title VI coverage by expanding the definition of the terms "programs or activities" to include all programs or activities of Federal Aid recipients, sub recipients, and contractors, whether such programs and activities are federally assisted or not.

Additional authorities and citations include: Title VI of the Civil Rights Act of 1964 (42 U.S.C. Section 2000d); Federal Transit Laws, as amended (49 U.S.C. Chapter 53 et seq.); Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601, et seq.); Department of Justice regulation, 28 CFR part 42, Subpart F, "Coordination of Enforcement of Nondiscrimination in Federally-Assisted Programs" (December 1, 1976, unless otherwise noted); U.S. DOT regulation, 49 CFR part 21, "Nondiscrimination in Federally-Assisted Programs of the Department of Transportation—Effectuation of Title VI of the Civil Rights Act of 1964" (June 18, 1970, unless otherwise noted); Joint FTA/Federal Highway Administration (FHWA) regulation, 23 CFR part 771, "Environmental Impact and Related Procedures" (August 28,

IV. NONDISCRIMINATION ASSURANCES TO DRPT

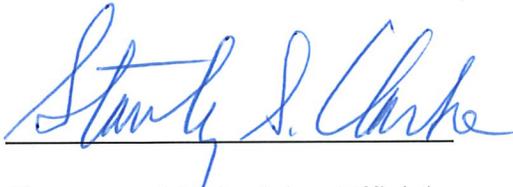

In accordance with 49 CFR Section 21.7(a), every application for financial assistance from the Federal Transit Administration (FTA) must be accompanied by an assurance that the applicant will carry out the program in compliance with DOT's Title VI regulations. This requirement is fulfilled when the Virginia Department of Rail and Public Transportation (DRPT) submits its annual certifications and assurances to FTA. DRPT shall collect Title VI assurances from sub-recipients prior to passing through FTA funds.

As part of the Certifications and Assurances submitted to DRPT with the Annual Grant Application and all Federal Transit Administration grants submitted to the DRPT, **Bay Aging** submits a Nondiscrimination Assurance which addresses compliance with Title VI as well as nondiscrimination in hiring (EEO) and contracting (DBE), and nondiscrimination on the basis of disability (ADA).

In signing and submitting this assurance, Bay Aging confirms to DRPT the agency's commitment to nondiscrimination and compliance with federal and state requirements.

V. PLAN APPROVAL DOCUMENT

We, the Board of Directors of Bay Aging, hereby acknowledge the receipt of the Bay Aging Title VI Implementation Plan. We have reviewed and approve the Plan. We are committed to ensuring that no person is excluded from participation in, or denied the benefits of Bay Aging's transportation services on the basis of race, color, or national origin, as protected by Title VI according to Federal Transit Administration (FTA) Circular 4702.1B Title VI requirements and guidelines for FTA sub-recipients.

VI. ORGANIZATION AND TITLE VI PROGRAM RESPONSIBILITIES

Bay Aging's Transit Director is responsible for ensuring implementation of the agency's Title VI program. Title VI program elements are interrelated and responsibilities may overlap. (Note, more than one official may be designated to serve as the Title VI official). The specific areas of responsibility have been delineated below for purposes of clarity.

Overall Organization for Title VI

The Title VI Manager and staff are responsible for coordinating the overall administration of the Title VI program, plan, and assurances, including complaint handling, data collection and reporting, annual review and updates, and internal education.

Detailed Responsibilities of the Title VI Manager

The Title VI Manager is charged with the responsibility for implementing, monitoring, and ensuring compliance with Title VI regulations. Title VI responsibilities are as follows:

1. Process the disposition of Title VI complaints received.
2. Collect statistical data (race, color or national origin) of participants in and beneficiaries of agency programs, (e.g., affected citizens, and impacted communities).
3. Conduct annual Title VI reviews of agency to determine the effectiveness of program activities at all levels.
4. Conduct Title VI reviews of construction contractors, consultant contractors, suppliers, and other recipients of federal-aid fund contracts administered through the agency.
5. Conduct training programs on Title VI and other related statutes for agency employees.
6. Prepare a yearly report of Title VI accomplishments and goals, as required.

8. Identify and eliminate discrimination.
9. Establish procedures for promptly resolving deficiency status and writing the remedial action necessary, all within a period not to exceed 90 days.

General Title VI responsibilities of the agency

The Title VI Manager is responsible for substantiating that these elements of the plan are appropriately implemented and maintained, and for coordinating with those responsible for public outreach and involvement and service planning and delivery.

1. Data collection

To ensure that Title VI reporting requirements are met, Bay Aging will maintain:

- A database or log of Title VI complaints received. The investigation of and response to each complaint is tracked within the database or log.
- A log of the public outreach and involvement activities undertaken to ensure that minority and low-income people had a meaningful access to these activities.

2. Annual Report and Updates

As a sub-recipient of FTA funds, Bay Aging is required to submit a Quarterly Report Form to DRPT that documents any Title VI complaints received during the preceding quarter and for each year. Bay Aging will also maintain and provide to DRPT an annual basis, the log of public outreach and involvement activities undertaken to ensure that minority and low-income people had a meaningful access to these activities.

Further, we will submit to DRPT updates to any of the following items since the previous submission, or a statement to the effect that these items have not been changed since the previous submission, indicating date:

- A copy of any compliance review report for reviews conducted in the last three years, along with the purpose or reason for the review, the name of the organization that performed the review, a summary of findings and recommendations, and a report on the status or disposition of the findings and recommendations
- Limited English Proficiency (LEP) plan
- procedures for tracking and investigating Title VI complaints
- A list of Title VI investigations, complaints or lawsuits filed with the agency since the last submission
- A copy of the agency notice to the public that it complies with Title VI and instructions on how to file a discrimination complaint

3. Annual review of Title VI program

Each year, in preparing for the Annual Report and Updates, the Title VI Manager will review the agency's Title VI program to assure implementation of the Title VI plan. In addition, they will review agency operational guidelines and publications, including those for contractors, to verify that Title VI language and provisions are incorporated, as appropriate.

4. Dissemination of information related to the Title VI program

Information on our Title VI program will be disseminated to agency employees, contractors, and beneficiaries, as well as to the public, as described in the “public outreach and involvement” section of this document, and in other languages when needed according to the LEP plan as well as federal and State laws/regulations.

5. Resolution of complaints

Any individual may exercise his or her right to file a complaint if that person believes that he, she or any other program beneficiaries have been subjected to unequal treatment or discrimination in the receipt of benefits/services or prohibited by non-discrimination requirements. Bay Aging will report the complaint to DRPT within three business days (per DRPT requirements), and make a concerted effort to resolve complaints locally, using the agency’s Title VI Complaint Procedures. All Title VI complaints and their resolution will be logged as described under Section 1. Data collection and reported annually (in addition to immediately) to DRPT.

6. Written policies and procedures

Our Title VI policies and procedures are documented in this plan and its appendices and attachments. This plan will be updated periodically to incorporate changes and additional responsibilities that arise. During the course of the Annual Title VI Program Review (item 3 above), the Title VI Manager will determine whether or not an update is needed.

7. Internal education

Our employees will receive training on Title VI policies and procedures upon hiring and upon promotion. This training will include requirements of Title VI, our obligations under Title VI (LEP requirements included), and required data that must be gathered and maintained. In addition, training will be provided when any Title VI-related policies or procedures change (agency-wide training), or when appropriate in resolving a complaint.

Title VI training is the responsibility of the Transit Director.

8. Title VI clauses in contracts

In all federal procurements requiring a written contract or Purchase Order (PO), Bay Aging’s contract/PO will include appropriate non-discrimination clauses. The Title VI Manager will work with the Chief Financial Officer who is/are responsible for procurement contracts and PO’s to ensure appropriate non-discrimination clauses are included.

VII. PROCEDURES FOR NOTIFYING THE PUBLIC OF TITLE VI RIGHTS AND HOW TO FILE A COMPLAINT

Requirement to Provide a Title VI Public Notice

At a minimum, Bay Aging shall disseminate this information to the public by posting a Title VI notice on the agency's website and in public areas of the agency's office(s), including the reception desk, meeting rooms, in federally-funded vehicles, etc. (see Appendix A).

Public Outreach and Involvement

PUBLIC PARTICIPATION PLAN

Introduction

The Public Participation Plan (PPP) is a guide for ongoing public participation endeavors. Its purpose is to ensure that Bay Aging utilizes effective means of providing information and receiving public input on transportation decisions from low income, minority and limited English proficient (LEP) populations, as required by Title VI of the Civil Rights Act of 1964 and its implementing regulations.

Under federal regulations, transit operators must take reasonable steps to ensure that Limited English Proficient (LEP) persons have meaningful access to their programs and activities. This means that public participation opportunities, normally provided in English, should be accessible to persons who have a limited ability to speak, read, write, or understand English.

In addition to language access measures, other major components of the PPP include: public participation design factors; a range of public participation methods to provide information, to invite participation and/or to seek input; examples to demonstrate how population-appropriate outreach methods can be and were identified and utilized; and performance measures and objectives to ensure accountability and a means for improving over time.

Bay Aging established a public participation plan or process that will determine how, when, and how often specific public participation activities should take place, and which specific measures are most appropriate.

Bay Aging will make these determinations based on a demographic analysis of the population(s) affected, the type of plan, program, and/or service under consideration, and the resources available. Efforts to involve minority and LEP populations in public participation activities may include both comprehensive measures, such as placing public notices at all transit stations, stops, and vehicles, as well as targeted measures to address linguistic, institutional, cultural, economic, historical, or other barriers that may prevent minority and LEP persons from effectively participating in our decision-making process (see Appendix D).

VIII. LANGUAGE ASSISTANCE PLAN FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY (LEP)

Introduction and Legal Basis

LEP is a term that defines any individual not proficient in the use of the English language. The establishment and operation of an LEP program meets objectives set forth in Title VI of the Civil Rights Act and Executive Order 13116, Improving Access to Services for Persons with Limited English Proficiency (LEP). This Executive Order requires federal agencies receiving financial assistance to address the needs of non-English speaking persons. The Executive Order also establishes compliance standards to ensure that the programs and activities that are provided by a transportation provider in English are accessible to LEP communities. This includes providing meaningful access to individuals who are limited in their use of English. The following LEP language implementation plan, developed by Bay Aging is based on FTA guidelines.

As required, Bay Aging developed a written LEP Plan (below). Using 2010 and American Community Survey (ACS) Census data, Bay Aging has evaluated data to determine the extent of need for translation services of its vital documents and materials.

LEP persons can be a significant market for public transit, and reaching out to these individuals can help increase their utilization of transit. Therefore, it also makes good business sense to translate vital information into languages that the larger LEP populations in the community can understand.

Assessment of Needs and Resources

The need and resources for LEP language assistance were determined through a four-factor analysis as recommended by FTA guidance.

Factor 1: Assessment of the Number and Proportion of LEP Persons Likely to be Served or Encountered in the Eligible Service Population

The agency has reviewed census data on the number of individuals in its service area that have limited English Proficiency, as well as the languages they speak.

U.S. Census Data – American Community Survey (2011-2015)

Data from the U.S. Census Bureau's American Community Survey (ACS) were obtained through www.census.gov by Bay Aging's service area. The agency's service area includes a total of 1,868 (1.17%) persons with Limited English Proficiency (those persons who indicated that they spoke English "less than very well" in the 2011-2015 ACS Census).

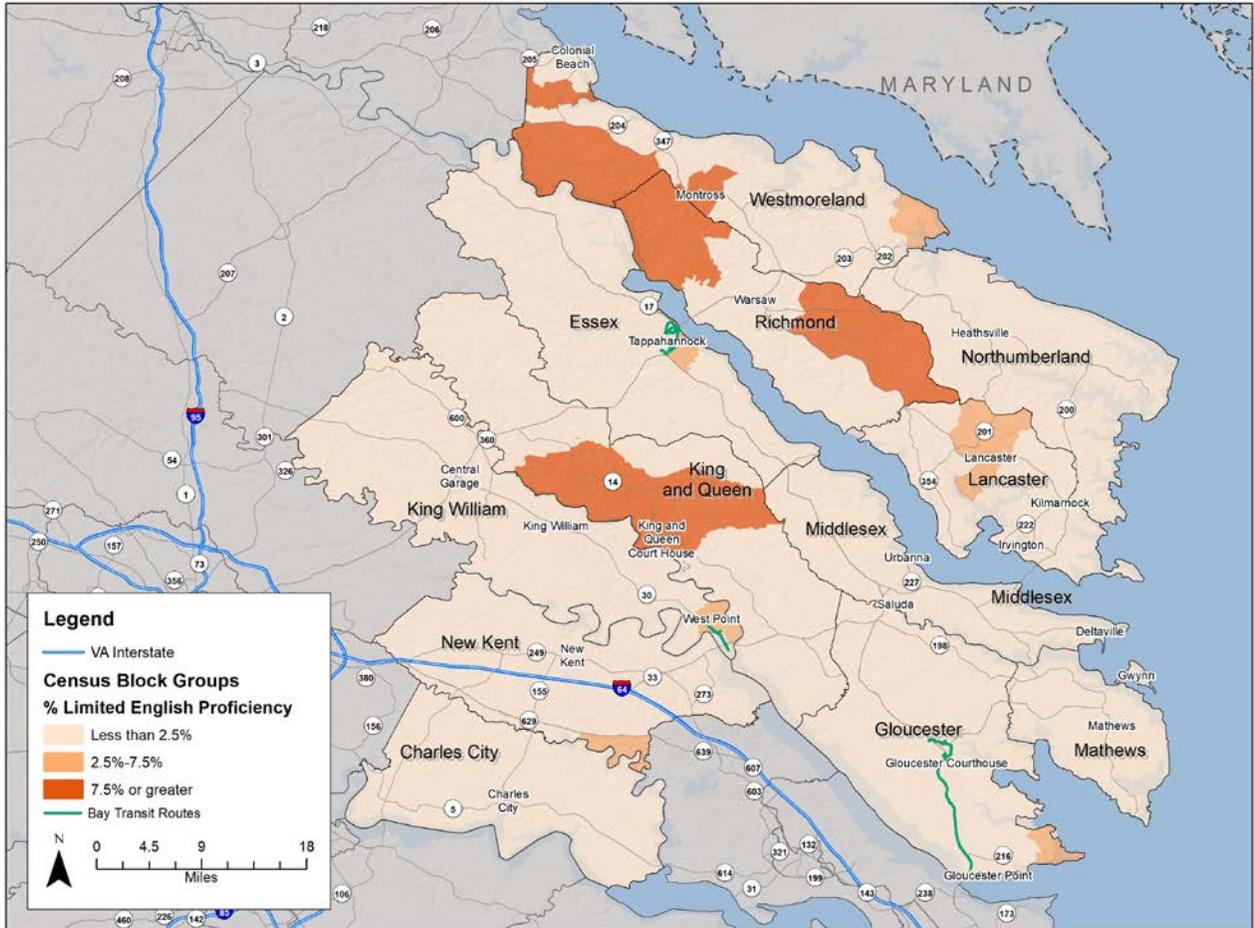

Information from the 2011-2015 ACS also provides more detail on the specific languages that are spoken by those who report that they speak English less than very well. Languages

spoken at home by those with LEP are presented below. These data indicate the extent to which translations into other language are needed to meet the needs of LEP persons.

Bay Transit Service Area			
Language	Number of LEP Population	Percent of County Population Speaking Language	Percent of LEP Population Speaking Language
Spanish or Spanish Creole	1,324	0.83%	70.88%
Vietnamese	167	0.10%	8.94%
Arabic	56	0.04%	3.00%
German	51	0.03%	2.73%
French	48	0.03%	2.57%
Portuguese or Portuguese Creole	44	0.03%	2.36%
Chinese	37	0.02%	1.98%
Scandinavian languages	32	0.02%	1.71%
Tagalog	23	0.01%	1.23%
Italian	22	0.01%	1.18%
Other Slavic languages	19	0.01%	1.02%
Thai	13	0.01%	0.70%
Korean	12	0.01%	0.64%
African languages	8	0.01%	0.43%
Other Asian languages	6	0.00%	0.32%
Other Pacific Island languages	3	0.00%	0.16%
Other and unspecified languages	3	0.00%	0.16%
Total LEP Population	1,868	1.17%	
Total Service Area Population	159,627		

Spanish or Spanish Creole (1,324) is the most widely spoken language among LEP individuals in the Service Area. No other language group surpasses the Safe Harbor Provision. Figure 1 shows the percentage of LEP individuals in each Census Block Group. There are higher percentages of LEP persons in the counties of Westmoreland, King and Queen, and Richmond.

Figure 1 - % LEP by Census Block Group

Factor 2: Assessment of Frequency with Which LEP Individuals Come In to Contact with the Transit Services or System

Bay Aging reviewed the relevant benefits, services, and information provided by the agency and determined the extent to which LEP persons have come into contact with these functions through the following channels:

- Contact with transit vehicle operators;
- Contact with transit facility dispatchers and supervisors;
- Calls to Bay Transit’s customer service telephone line;
- Access to the agency’s website;
- Attendance at community meetings or public hearings hosted by Bay Aging/Bay Transit;

Anecdotal information obtained from front line drivers, dispatcher and supervisors indicate no contacts by phone, or in person, from LEP persons in the past year. We have not utilized the services of the Language Line Personal Interpreter Service in over three years.

We will continue to identify emerging populations as updated Census and American Community Survey data become available for our service area. In addition, when LEP persons contact our agency, we will attempt to identify their language and keep records on contacts to accurately assess the frequency of contact. We currently use the Language Line Personal Interpreter to communicate with LEP persons by phone. To assist in language identification when communicating with LEP persons face to face, we use a language identification flashcard based on that which was developed by the U.S. Census. (<http://www.lep.gov/ISpeakCards2004.pdf>).

Factor 3: Assessment of the Nature and Importance of the Transit Services to the LEP Population

Bay Aging provides the following transportation programs, activities and services:

Demand-response public transportation to counties of the Middle Peninsula and Northern Neck as well as New Kent and Charles City counties.

Deviated fixed route services in the Towns of Tappahannock and West Point as well as Gloucester County.

Seasonal Deviated Fixed Route Trolley service in the Towns of Urbanna, Kilmarnock and Colonial Beach.

Specialized transportation and transportation training for people with disabilities and senior citizens through the New Freedom program.

Based on past experience serving and communicating with LEP persons and interviews with community agencies, we learned that the following services/routes/programs are currently of particular importance LEP persons in the community:

Deviated Fixed Routes in Tappahannock, West Point and Gloucester

New Freedom transportation

The following are the most critical services provided by Bay Aging for all customers, including LEP persons.

- Safety and security awareness instructions
- Emergency evacuation procedures
- Public transit services, both demand-response and deviated fixed route
- Services targeted at seniors and people with disabilities

Factor 4: Assessment of the Resources Available to the Agency and Costs

Costs

The following language assistance measures currently being provided by Bay Aging:

- ISpeak cards-No cost
- Language Line-Pay per minute-currently costs are negligible
- Spanish Language Brochures-no costs
- Google Translate is available on the Bay Transit website-no cost
- There is very little staff time associated with providing language assistance at this time.

We anticipate that these activities and costs will not increase significantly.

Based on the analysis of demographic data and contact with community organizations and LEP persons, Bay Aging has determined that no additional services are needed at this time.

Resources

The available budget that could be currently be devoted to additional language assistance expenses is \$1000. This amount is likely to remain stable over time.

Feasible and Appropriate Language Assistance Measures

Based on the available resources, the following language assistance measures are feasible and appropriate for our agency at this time:

- ISpeak cards
- Language Line
- Spanish Language Brochures
- Google Translate for Bay Transit Website

MINORITY REPRESENTATION ON PLANNING AND ADVISORY BODIES

Title 49 CFR Section 21.5(b)(1)(vii) states that a recipient may not, on the grounds of race, color, or national origin, “deny a person the opportunity to participate as a member of a planning, advisory, or similar body which is an integral part of the program.”

Bay Aging has transit-related, non-elected planning boards, advisory councils or committees, or similar committees, the membership of which we select.

- 1. Please provide a description of your selection process, including recruitment efforts made to encourage the participation of minorities on such committee(s)***
 - a. Older individuals (including minority individuals and older individuals residing in rural areas) who are participants or who are eligible to participate in programs assisted under this Act
 - b. Family caregivers of such individuals
 - c. Representatives of older individuals
 - d. Service providers
 - e. Representatives of the business community

Title VI Notice to the Public; List of Locations

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, or national origin in programs and activities receiving Federal financial assistance. Specifically, Title VI provides that "no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance" (42 U.S.C.
